

nursemate^{ASAP}

Colostrum Supplement for Kids

Nursemate ASAP is convenient and easy to use.

Nursemate comes in an easy to use 30ml tube. No pails, no mixing and no feeding tubes. Just administer half of tube as soon after birth as possible by slowly placing on the back of tongue.

Nursemate ASAP is effective.

Nursemate is made from concentrated colostrum to assure early intake of Mother's colostrum and establish good health for the newborn. Nursemate is an effective appetite stimulator containing special proteins, vitamins and lactic acid-producing bacteria to help get newborn goats up and nursing as soon as possible.

Guaranteed Analysis.

Each 30ml syringe contains:
Crude Protein (Min) 3%
Crude Fat (Min.) .1%
Crude Fiber (Max.) .1%

Nursemate Ingredients

Condensed Colostrum Whey, Biotin,
Folic Acid, Vitamin B-12 Supplement,
Sodium Benzoate (Preservative),
EDTA (Preservative)

Nursemate ASAP

More convenient, easier to use, effective dosage and more cost effective make Nursemate ASAP the first choice for farmers who want to give their newborn goats a head start.
